JUNE 2025: DAY 29

Today, it was National Camp Day. Ilija couldn't rest easy tho, as the fuckers were planning a school camp. They also put his mom on gunpoint. Now you know your history lessons. Let's Play.

DAY 1 (JUNE 29, 2025)

Ilija stared at the packing list, his eyes seeing the so-stupid rules.

SKOOOOL CAAAAMP!!!!
DA ROOLEZZZ

NO ELECTRONIK
NO GUD FUD

PAKKK:

His mom sat on the bed watchin' him pack. "So, what's da plan?" She asked.

"Simple. Not suffering in there." he said.

She nodded approvingly. "Good, cuz I put extra snacks in ya' socks. And your phone's in the fake camping book, right?" she said.

"Yup. Everything, even pet-rock disguised power bank." he said.

She tossed him a gum pack. "For emergency stress chewing." This was not a good camping trip. This was a shitty one, but Ilija came prepared. In fact, more prepared than the average adventurer.

As he zipped the backpack up, Elsa meowed. "Hell no, Elsa, not goin' with ya." He said. He cracked his knuckles. "Ready to kick Camp Kock's ass."

Ilija stepped onto the bus, and it was a disaster right from start to end.

Screaming kids? Yes. Cheetos kids? Yes. Bluetooth music dumbass? Yes. Dumb bus driver? Yes.

Ilija slid into the middle seat. His ass asked, "can I sit?", ending with a "NO ELECTRONICS!!!!".

The supervisor: a tall stick up his ass lookin' ahh: stormed down. His name tag read "Stickler Stickley Dimkins", accurate.

Ilija's phone was in hand. He slid it into the sock. Stickler left after 5 secs.

2 mins later, the bus driver snapped.

"THATS IT!" The fucker ripped off his 'belt, stood up as the bus moved, and turned around to the boys.

He screamed "YOU LITTLE GREMLINS ARE DRIVIN' ME

INSANE!!!!", ending with a bus crash.

CRASH!!

"Did we unlock a secret camping spot?"

Snap!

Ilija took a picture of the wreckage.

"First day at Camp Kock. Bus crashed, 10/10."

Ilija said "Dumb driver, should have just stayed in ya 'belt. Fuckin dumbass."

Laughter exploded through.

Ilija dusted himself offl
